ACCREDITATION INFORMATION

Physician and Allied Health Professional Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Center for Emergency Medical Education and myMedEd, Inc.

The Center for Emergency Medical Education (CEME) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Center for Emergency Medical Education (CEME) designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Center for Emergency Medical Education (CEME) designates this live activity for a maximum of 5.25 hours of participation for continuing education for allied health professionals.

Disclosure of Faculty Financial Interests or Relationships:

It is the policy of the Center for Emergency Medical Education (CEME) to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities, and that all contributors present information in an objective, unbiased manner without endorsement or criticism of specific products or services and that the relationships that contributors disclose will not influence their contributions. In accordance with the Standards for Commercial Support issued by the Accreditation Council for Continuing Medical Education (ACCME), The Center for Emergency Medical Education (CEME) requires resolution of all faculty conflicts of interest to ensure CME activities are free of commercial bias. All individuals in a position to control the content of this CME activity have indicated that he/she has no relevant financial relationships, which, in the context of this CME activity, could be perceived as a potential conflict of interest. Complete disclosure of relevant (or no) financial relationships will be made to learners prior to the beginning of the CME activity. All faculty pictured may not be at all scheduled course dates.
