SPONSORSHIP OPPORTUNITIES

The 2nd Annual Breast Cancer Symposium is going to be held online utilizing a multimedia webcast and virtual conference platform to livestream the keynote, plenary sessions and ancillary events. The conference will be recorded and will be offered on-demand for 30 days following the conference.

A virtual trade show platform is available to exhibitors and offers the opportunity to include a video presentation, literature, live chat, messaging and the organization's Twitter feed. Exhibitors can design their own booth or request it be designed for them. Conference attendees can visit booths and interact with exhibitors during conference and the virtual tradeshow will remain live for 30 days following the conference.

NOTE: If the sponsorship and exhibit request form has already been submitted for this conference on behalf of your organization and payment has been submitted, your organization will automatically be provided the same level of sponsorship that was committed to already. If you would like to upgrade your sponsorship commitment, please contact exhibits@mymededco.com.

All sponsorship levels include:

- Sponsorship acknowledgment on the website and conference materials
 - Inclusion in the virtual trade show site map including a product listing
 - Virtual trade show secure login to design the booth
- Note: Additional charges may apply for advanced features and booth design assistance.*
