We will have pre-printed name badges and can print onsite as well. If you still need to do so, please send me the list of representatives from your organization attending. While we have the representatives on file that were entered into the system, more often than not, it changes.

**VENUE DIAGRAM:**

I’ve attached a diagram of the 4th Floor. It will change slightly once we are onsite, but this will give you an idea of the layout. Exhibit tables will be assigned and identified with tent cards. Power is available throughout the exhibit areas.
